

OAKHILL DRIVE PUBLIC SCHOOL

Canteen Note for Children with Allergies

February 2020

Dear Parents/Carers

Occasionally families may forget to put in their child's lunch order or forget their lunch altogether. When this occurs, teachers will send the student to the canteen who will offer a sandwich (honey, vegemite, jam or cheese) or an apple. Hot food is not an option. A note requesting payment for their lunch will then be sent home with the student.

Please fill out the slip below and return it to the school canteen. The canteen staff will keep the information you provide on file for the year and will refer to it as required. It is very important that you remind your child to identify themselves to canteen staff as having a food allergy.

Your assistance in this matter is most appreciated.

Helen Williams and Liz Young
Canteen Managers
