## Canteen Note for Children with Allergies

February 2015

Dear Parents

We would like to put in place an alternative plan for your child should they forget to put in their lunch order or forget their lunch altogether. The canteen staff will keep the information you provide on file for the year and will refer to it as required. It is very important that you remind your child to identify themselves to canteen staff as having a food allergy.

Included here is the latest canteen price list. Please advise what your child may be given if they happen to appear at the canteen window needing recess and/or lunch. Hot food is not an option but they may have a sandwich or fruit.

Please fill out the slip below and return it to the school. Your assistance in this matter is most appreciated.

Regards
