

OAKHILL DRIVE PUBLIC SCHOOL

Hatching Chicks and Ducklings Visit

27 April 2021

Dear Parents/Carers

This term Kindergarten will be discovering how animals and living things change and grow. In order to support our program and provide the students with hands on learning experiences, our school will be visited by the Hatching Chicks program.

The Hatching Chicks program provides the school with fertile chicken and duck eggs that will hatch. Once hatching has occurred; students will observe how they grow and investigate their needs. This program actively engages students in the process of Science.

Details are as follows:

When: Eggs arrive on Monday 17 May 2021 and leave Friday 28 May 2021

Cost: \$4.00 - This cost will be itemised on your Term 2 invoice.

If you would like your child to participate in this program please complete the permission slip below and return it to your child's class teacher by **Friday 14 May 2021**.
