

OAKHILL DRIVE PUBLIC SCHOOL

Parent Volunteer Workshop

16 March 2021

Dear Parents/Carers

Further to previous communication, we are now able to welcome parents/carers back into classrooms as volunteer helpers. In order to make the most of your valuable time, we request that you attend our 'Parent Volunteer' workshop.

The workshop will be held on Thursday 25 March at 9:15am in the Lib Lab. Please follow the signs past the Library to find the Lib Lab (enter off lower oval).

This session will give you an opportunity to learn:

- How you can help in the classroom
- What to do if you have any problems when helping students
- The school's expectations to maintain safety and wellbeing
- How to support students to develop their reading skills including decoding, blending, fluency and comprehension.

This workshop will be essential if you wish to help in classrooms. If you are unable to attend but would like to volunteer, this workshop will be available online and can be accessed at home. This information will be made available through Skoolbag and the school newsletter.

In order to comply with our Covid safety plan, we request that you:

- please indicate your intention to attend by completing and returning the slip below.
- Do not come on the school site if you are unwell or have flu-like symptoms
- Sign in at the gate using the Services NSW app
- Sign in when you enter the Lib Lab.

Julie Torney
Deputy Principal

Parent Volunteer Workshop

Please return this note to the school office by Monday 22 March
